

AUTUMN THEATRE EVENING

Wednesday 12th October

Dreamboats & Petticoats is a lively and nostalgic musical created from a best-selling album of 1950's and early 1960's classic rock 'n' roll songs created by the renowned TV sitcom writers Maurice Gran and Laurence Marks

Dreamboats & Petticoats is set in 1961, an era when teenage rebellion was in full swing. It tells the story of Norman and Bobby, two musicians who embody 1960's rock 'n' roll, who vie for the affections of their female fans. They both also have their sights set on the beautiful Laura, a gorgeous girl who is more than just a pretty face, she's also a dab hand with the guitar and it could be her talent that propels them to rock stardom.

The show includes a plethora of musical classics "To Know Him is to Love Him", "Happy Birthday Sweet 16" and "Three Steps to Heaven" plus the music of Billy Fury, Ray Orbison, Chuck Berry, The Shadows and many more.
